Are your legs tired? Because you've been running through my mind all day.

Is your father a thief? Because he stole the stars from the skies and put them in your eyes!

Are you from Tennessee? Because you're the only ten I see!

That dress looks nice... Of course, it'd look even better crumpled up in the corner of my room.

Are you lost ma'am? Because heaven's a long way from here.

Pardon me, is there a mirror in your pocket? Because I keep seeing myself in your pants.

Hey baby, wanna sit on my lap and we'll talk about the first thing that pops up!?

Would you like to have breakfast tomorrow? Should I nudge you or call you?

(Check female's shirt tag)... Just as I thought, made in heaven!

Were your parents Greek gods? Because it takes two gods to make a goddess.

That dress looks great on you...as a matter of fact, so would I.

Hey baby, you want to see something swell?

Hi, I'm conducting a feel test to see how many women here have pierced nipples.

Are you religious? Cause I'm the answer to all your prayers!

I love every bone in your body...especially mine.

(With hands on shoulders) Oh, those are shoulder blades, I thought they were wings.

Pardon me, are you in heat?!

Are you O.K.? Because heaven's a long way from here.

You know, I never was too good at math...like if I put you and I together, I'd get 69.

You have pretty eyeballs. Of course they'd be better if they were eyeing my pretty balls.

You know the more I drink, the prettier you get!

Was it love at first sight, or should I walk by again?

You're good at math right? Is 69 a perfect square?

Your warm eyes melt the iciness of my heart.

Baby, you look better and better each day...and tonight, you look like tomorrow.

Here's a quarter...call your roommate and tell her you won't be coming home tonight!

Is it hot in here? Or is it just you?

Can I have directions? (to where?) To your heart!

I miss my teddy bear. Would you sleep with me?

Hey baby, what's your sign? All you can eat?

Hi! I'm Big Brother, and I've been watching you!

Where have you been all my life?

Hey, weren't you Miss Virginia last year?

Don't worry about it. Nothing that you've ever done before counts. The only thing that matters is that we're together.

I know milk does the body good, but baby, how much have you been drinking?

Your daddy must be a drug dealer, cuz you're a dope.

Hey baby, can I tickle your belly-button from the inside?

If I follow you home, will you keep me?

Him: Do you have the energy?

You know, I'd really love to screw your brains out, but it appears someone has already beat me to it.

You look like the type of girl who has heard every line in the book. So, what's one more?

Her: What do you think of this (dress, sweater, blouse, etc.)?

Him: I like nothing better.

Walk up to a lady at a social gathering (party, club, etc.) and simply ask, are you ready to go home now?

You know, I'd give you a piece of my mind, but I've got more of something else.

At the dinner table, if you eat together, pick up the bread and ask, Wanna roll?

You know, you've got the prettiest teeth I've ever dreamed of coming across.

That's a really nice smile you've got, shame that's not all of you are wearing.

Think you can dance in those shoes?

I used to date Darla Jaye.

OK, you can stand next to me as long as you don't talk about the heat.

Ask girl if she likes jewelry. Then grab your nuts and say, Then suck this, it's a gem!

Guy: As soon as I finish this drink.

Lie down. I think I love you.

What's a nice girl like you doing with a face like that?

If I weren't so romantic, I'd shoot you.

My lenses turn dark in the sunshine of your love.

My friend and I have a bet that you won't take off your blouse in a public place.

Are those space pants? Cuz your ass is out of this world!

How do you like your eggs cooked? Why? Well I just wanted to know what to make for you in the morning!

Baby, somebody better call God, cuz he's missing an angel!

You: Hi, wanna screw?

Her: No!

You: Mind lying down while I have one?

Baby, I'm an American Express lover...you shouldn't go home without me!

Hi, my name is Milk. I'll do your body good.
